

# The LEGEND

PRO PACK

# The LEGEND

## FROM THE BEACH TO THE GOLDFIELDS AND EVERYTHING IN BETWEEN

The Legend is Nokta's flagship, high performance all rounder metal detector that performs exceptionally in an extremely broad range of scenarios and environments, ranging from the beach to the bush and even fully underwater! The Legend features four intuitive preset search modes which are optimised for Parks, Fields, Goldfields and the Beach, including wet and dry sand. The preset search modes are optimal for beginners yet can be easily customised for more experienced users!

GOLD PROSPECTING

COIN SHOOTING

RELIC HUNTING

BEACH DETECTING

SALT WATER

### MULTI-FREQUENCY

Detect all targets in all environments with multiple frequencies at once.

### WATERPROOF TO 5M

Search in rivers, creeks and the ocean down to 5 metres underwater.

### 4 SEARCH MODES

Turn on & go with Park, Field, Beach and Goldfield pre-set search modes.

### COLLAPSIBLE DESIGN

The Legend collapses down small, to 63cm for easy travel and storage.

### BLUETOOTH AUDIO

Audio without cables, AptX™ Low Latency Headphones included.

### 3 YEARS WARRANTY

Backed by a 3 Year Australian Warranty supplied by your local service centre.
